Nga mihi nui Pukeokahu Families and Community
from Jan, Carol, Jenna and Paparangi

ERO: Good News!! We are back on the three-year Review cycle with no non-compliances from the BOT and lots of compliments about our wonderful workers. (AKA the children!!) Congratulations all round.

Horse Trek: Awesome photos of the trekkers in our beautiful country over the page. And a nameless local dressed to impress!

The workers and eaters:

The players and the riders:

Thank you: Roger BI for being the odd-job-man around school of late.

Rafting: Fingers crossed for good weather on Wednesday 28 March. We have made another tentative date for a one-day scenic trip.

Genesis: Please go online at www.schoolgen.co.nz. "People can vote once a day up to 2 April and to ensure a small school has as much chance of winning as a big school, we'll be dividing the number of votes a school gets by its school roll. The top five schools will go forward to an independent judging panel who will decide who wins the \$25k, \$15k and \$10k prizes." Wouldn't that be absolutely fabulous for our school's Science projects!
